The 4<sup>th</sup> annual *Touch a Truck* is a unique, interactive event that allows families to touch and learn about how a wide variety of businesses and vehicles protect, serve, invest in, and build our community. We are expecting over 1,000 guest at this years fundraiser. We have a new location at the Grande Stadium Parking lot. You could have the opportunity to receive marketing and promotions before, during, and after the event. You can also interact with over 1,000 potential customers who attend the event. All the proceeds from TAT will benefit Fair Havens of Midland. Fair Havens is an organization in the Permian Basin which serves as a place of refuge and restoration for single mothers as they prepare to make a better life for themselves and their children.
